PE and Sports Premium	
The government is providing £16,000 and an additional payment of £10 per pupil for each school with 17 or more eligible pupils to improve provision of Physical Education (PE) and sport in primary schools. The funding – provided jointly by the Departments for Education, Health and culture, Media and Sport – will be allocated to primary school head teachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.
