Strike action: Tuesday 2<sup>nd</sup> May

Dear Parents/Carers,

Following today's strike action by members of the NEU, I write with an update for the next planned day of strike action: Tuesday 2<sup>nd</sup> May.

In planning, we have had to take into consideration that NEU members are not required to tell us whether they intend to take industrial action. Teachers taking industrial action do not have to set cover work for their classes and teachers not taking industrial action cannot be compelled to provide cover for those teachers who are.

**Currently, I am aware that children in Shorty's Nursery and children in Year 2 will not be able to attend school on Tuesday 2<sup>nd</sup> May.** I will write to you again if any further closures are needed.

Pupils who are not attending school can follow the guidance on the following pages, which outlines work that can be completed. We do recognise the impact this has on pupils, parents and carers. However, in reaching this decision, we have fully considered the Health and Safety of the pupils which is our highest priority. The teaching unions have set out their reasons for calling action and the national context for our sector, any thoughts on this should be directed to the unions. The focus of the school will be to positively address the needs of our young people as fully as we are able, whilst respecting the rights of employees to exercise their legal entitlement.

In terms of the arrangements for further possible days of industrial action, we will update you regarding each occasion separately so that we are able to inform you of any exceptions or adjustments as we have done in this instance. .

Kind regards,

Mrs G. Sherwin  
Head of School
