

14th November 2022

Dear Parents and Carers,

Thank you for all your previous well-wishes and kind words when I returned to school at the end of last term. Unfortunately, I will be returning to hospital for another operation this week. As before, I will then need to spend some time recovering at home. Everything will continue at school, as it normally does.

Similar to last time, Mr Atkinson (Executive Headteacher, working across TKAT schools in Thanet) will base himself at Dame Janet in my absence. Mrs Bradbury (Deputy Headteacher) will also continue to be available to speak to parents and carers.

I will be at school until the end of Wednesday 16th November and then I look forward to seeing you on my return.

Thanks for your understanding.

Mrs G. Sherwin

Head of School
