### Secondary School applications

Dear year 6 parents and carers,

The time to apply for a Secondary School place for your child is now upon us. Applications are made online at: <https://kent.cloud.servelec-synergy.com/Synergy/Admissions.aspx>

For children starting year 7 in September 2024, applications opened on Friday 1st September and close on Tuesday 31st October 2023.

You can apply for up to four schools:

- Put the schools in order of preference.
- It is in your child's best interest to list 4 schools.
- Naming only one school does not guarantee your child a place at that school or give priority for a place over another child.
- You are not able to name the same school more than once.

### Additional information

Some schools may need you to complete an additional form called a Supplementary Information Form (SIF). Please contact the school(s) to obtain the form(s) and once completed return directly to the school(s).

If you provided an email address on your application, KCC will email you on Friday 1st March 2024 to tell you which school your child has been offered. You can also log in after 5pm to view your offer online on Friday 1st March 2024. Offer emails will be sent to the email address provided on your application.

### Open Days

All of the Secondary Schools are keen to show you what they have to offer your child. We highly recommend seeing the schools for yourself. Recommendations are great, but every child is different and therefore speaking to staff and seeing the school in action will be the best course of action. We have compiled a list of open days (please check on each school's website for any changes to the originally published dates):
